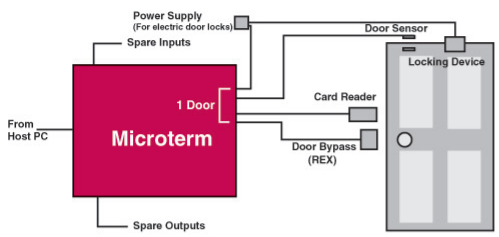
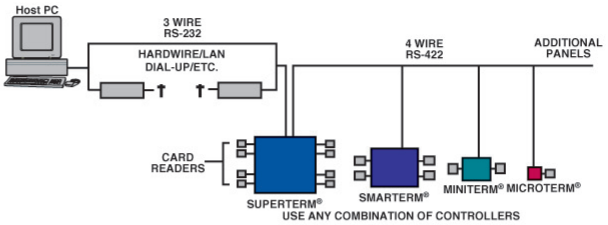
Microterm®





Capacities

- Up to 1,100 Card Capacity*
- 2 Card Reader Capacity
- 1 Keypad Capacity
- Duress Keypad
- Up to 2 Doors
- Up to 1,000 Transaction Buffer Capacity
- 32K Memory RAM
- 2 Supervised Monitored Points (Inputs-Linked).
- 3 Output Relays-Form C (Linked)
- 128 Time Zones
- 50 Holidays
- 64 Link Programs
- 4 to 6 hours (optional) Battery Backup

Functions & Features

- "Learns" all card encoding technologies
- Anti-Passback
- Tamper Alarm
- Full Transient Protected
- Serial Printer

Specifications

- Communication:
  Protocol: RS-422/RS-232
  Baud Rate: Up to 19.2 Kbps**
- Output Relay Contacts: 3A@24 VDC/AC
- Power Supply Voltage: 12 VDC
- Current Draw: 200 mA
- Reader Supply Power (per panel): 100 mA
- Relative Humidity: 20 to 80% Non-condensing
- Operating Temperatures: 32° to 125° F
- Dimensions:
  Enclosure: 7.5" H x 7.5" W x 2"D
  PC Board: 5.25" x 5.25"
- Weight (with enclosure): 20 oz.
- UL 294,UL 1076, and UL 1950 Listed

**Actual card capacity may vary depending upon program configuration.*

***Actual baud rate depends on host PC and field conditions.*

About Continental Instruments...

Continental Instruments has been a pioneer in the Access Control industry since 1961. Our leading edge state-of-the-art security systems provide outstanding security functions throughout the world, in large government facilities, as well as small private businesses. We offer the widest range of innovative Access Control hardware and software. With a selection of four different sized controllers - Microterm (1 door), Miniterm (2 doors), Smarterm (4 doors), and Superterm (8 doors) - systems can be configured in the most flexible, convenient and cost-effective manner. With a proven track record of decades of customer satisfaction, outstanding reliable hardware and creative, innovative system features, Continental has influenced the direction and paced the growth of the Access Control industry. Our award winning, 24-hour technical service department is testimony to the commitment, dedication and service we provide to our customers.
